

"Before Liquid Capital, I was unable to fund the orders needed to grow my business and had to turn opportunities away. Now, business is booming"

Harry Locke, Locke Imports Inc.

PURCHASE ORDER FINANCING FOR IMPORT/EXPORT

Now you can say YES to any size order – Fund 100%

Do you have sales orders from creditworthy customers and have to forgo new business because you lack the funds to fill the order? Well, now you can say YES!

Purchase Order (P.O.) Financing covers up to 100% of the cost of product and transit costs. This allows you to purchase pre-sold product quickly without drawing on your bank line of credit.

Often, foreign and domestic manufacturers require letters of credit before beginning production or shipment of a finished product. We provide irrevocable letters of credit for you when required. We also arrange for product inspection anywhere in the world ensuring quality and purchase order compliance.

BENEFITS ACHIEVED

Increase profits by increasing existing and new business

- Now you can take on larger orders
- Manufacturers overseas know they will get paid and will fulfill your order(s)
- Product inspection by international agency
- Accounts receivable management included
- No long-term contracts, hidden fees or use of credit line
- Ability to break international trade barriers and grow business
- Best-in-class customer service, you work directly with decision makers
- Improve your creditworthiness with your vendors and banks

Quick and Easy Process

Immediate financing upon approval to fill purchase order

You receive P.O. from creditworthy customer

Open letter of credit with supplier

Supplier produces and ships the goods/services

3rd party inspects the goods and then ships to your customer

Invoice is sent to your customer and financed

Liquid Capital Express receives payment from customer

We pay you less discount fees
